CONGRATULATIONS TO BOY SCOUTS ON GOOD WORK

The Sidney Scout Organization is Deserving of Great Praise for the Wonderful Work They Are Doing in Their Toy Shop

The editors of the Review paid a visit Monday evening to the Scouts' "Toy Hospital" in the basement of the scoutmaster's home on Third Street and they certainly sing praises to the excellent work done by the boys in their work room.

Toys of every description have been sent to the work room and the boys have renovated, repaired and remodelled in every manner possible these toys into some real good playthings for needy children. Arms, legs and heads have been put on dolls, wagons have been made up from old wheels, mechanical toys have been made to run, complete new toys have been made by the boys, such as boats, carts, wagons, etc. All these have been painted and varnished and look like new.

In the collection are dolls of every description from "Mama Dolls" to "Nigger Babies," which have been dressed by interested helpers, made very attractive and should touch the heart of any little girl. There are also, musical instruments, books, boats, airplanes, blocks, doll carriages, wagons, scooters, all kinds of mechanical toys, toys made by the Brownies and Guides, games of every description, books and other things too numerous to mention.

The Boy Scout Toy Hospital will distribute to about 200 local children deserving of a remembrance at Christmas. A shipment is also being sent to Vancouver and a large shipment went to Sunset Prairie, a stricken district in the Peace River, some few days ago.

Scoutmaster King and his willing workers are certainly to be congratulated on their excellent work. It not only provides for children in need of toys at Christmas, but is a real service that will be greatly appreciated by local citizens, and at the same time it is teaching the boys to think of and help others.

In examining the display it was noticed that the donation of books was not as large as it might be, however a good assortment has been made ready to go out with the other hundreds of toys.

Any further donations in any department would be greatly appreciated.

WOLF CUBS GIVE DISPLAY AT GANGES

By Review Representative

GANGES, Dec. 19.—Several parents and friends of the Salt Spring Island Company of Wolf Cubs met recently at the Clubroom, Ganges, where a splendid exhibition of drill and physical exercises were given by the pack.

The president of the organization, Major P. C. Turner, addressed the children, congratulating them on their smart appearance. He complimented the cubmaster, Colonel A. B. Snow, for the state of efficiency of the pack and sincerely hopes that someone will come forward to fill the position of scoutmaster, as so many of the boys were getting beyond Cub age.

Major Turner said he had studied the diaries submitted by the Cub and after consideration decided that the winner of the silver cup was Ormond Springfield, with Ronald Hoole and Billy Snowdon tying for second place. At the exhibition of drill held just over a year ago, the late W. E. Scott, at that time president of the organization, had kindly promised a cup to the boy who kept the best and most interesting diary for the year. In compliance with the wishes of her late husband, Mrs. W. E. Scott, now in California, had sent the award, which was presented by Mrs. A. Snowdon to the winner.

Colonel Snow thanked Major Turner for his kind words of congratulation. Captain V. C. Best had been responsible for the boxing lessons the boys had been receiving for some time.

After three cheers and a tiger, given by the Cubs, for Colonel Snow, the proceedings ended with the grand howl and Cub's prayer.

Through the kindness of the committee bars of chocolate and oranges were distributed among the boys.

Ten was served to the visitors and Cubs by Mrs. Cecil Springfield, secretary, assisted by Mrs. A. Inglis and Mrs. Desmond Crofton.

Among those present were Mrs. Frank Crofton, Mrs. C. E. Baker, Mrs. Johnson, Mrs. Oxenham, Mrs. D. Tweedie, Miss Overend, A. Snowdon, Desmond Crofton, Arthur Inglis, Leslie Jenkins, Captain V. C. Best and others.

Douglas North, well-known to many citizens of Sidney and Deep Cove, will be featured on the British Broadcasting Company's program on Sunday from London in a world-wide hook-up, singing six songs.

ATHLETIC DISPLAY JAN. 15TH

The boys' athletic wing of the North Saanich Service Club resumed activities on Dec. 11th after two weeks' lay-off on account of scarlet fever. The last meeting of the year was held last night, Dec. 18th, and we will start again on Jan. 8th, when anyone over 14, interested in any kind of athletics, including basketball, are invited to attend. The postponed athletic display, which will include three bouts, a basketball game and refreshments for a very small sum, will be held on Jan. 15th.

The boys are working now to make this night a success and everyone interested in seeing a real good display are asked to book this date now.

The district of North Saanich has approximately 30 miles of coast line.

H. L. Ricketts' Peas Win First Prize At Seed Fair

Once again the Saanich Peninsula leads the province in the production of high grade pea seed, when H. L. Ricketts' (of Sidney) exhibit of "Saanich" defeated all other entries in the draw for garden pea seed at the Provincial Seed Fair held at Vancouver.

The section of the peninsula is becoming famous in the production of peas. C. W. Stirling, of Sidney, developed a field pea that has become famous, it won first prize at Chicago, and many other

firsts at other notable seed shows. Others that have procured seed from Mr. Stirling have also won distinction.

Mr. Ricketts is a very successful gardener and his home during the summer months, with its profusion of flowers, well-kept lawn and hedges is one of the show places of the East Saanich Road.

The Review extends congratulations to Mr. Ricketts on the honor he has brought himself and this district by his latest success.

CHILDREN'S FANCY DRESS PARTY AT MAHON HALL

Wonderful Display of Fancy Dress Seen at Party for Children — Great Excitement Prevails During the Evening

C.C.F. ARE VERY ACTIVE

A meeting will be held at Stacey's Hall Thursday evening, Dec. 20th, at 8 o'clock. All members are earnestly requested to attend as there will be very important business to attend to.

A. B. Sanders of Victoria gave a very interesting address at Wesley Hall last Thursday, illustrating the cause of the depression and in a clear and simple manner how the depression with its evils can be abolished.

The C.C.F. plans holding these public meetings, with a speaker, every month. Any person, regardless of their political leanings, is cordially invited to attend these meetings and enter into discussion regarding the aims of the C.C.F.

A group from the local club journeyed to Keating last Saturday night to hear Mrs. Grace MacInnes and Mr. MacInnes, M.P., who gave them a very impressive talk on the absurdity of the present economic system.

A NEW MALT BEVERAGE ON THE MARKET

Coast Breweries Limited, owners and operators of the Silver Spring Brewery and the Victoria Phoenix Brewery, Victoria, B.C., and the Westminster Brewery, New Westminster, B.C., have just placed a new malt beverage on the market under the brand name of "Lucky Lager."

This new beer has many exceptional features which distinguish it from other beers now produced and sold in British Columbia. It is the result of considerable research and experimentation on the part of Adolf Bruchet, well-known brewer, who has brewed Silver Spring Lager in this province for many years.

Lucky Lager is a light, sparkling beer with an unusual smoothness of texture and distinction of flavor without any loss of satisfying strength. It is what is known as a "crystallized" beer which gives it an abundant, rich foam that flows creamily from every bottle and lingers in the glass until the last drop is finished.

Lucky Lager is offered to the public as a bonded beer because the maturing and aging period it undergoes is guaranteed by a \$10,000 bond. This is the first time Canadians have had a similar assurance as to the quality of the beer sold. Lucky Lager is held in the most modern and up-to-date storage cellars for a minimum of three months before a single drop is pasteurized and bottled for consumption. Vast, glass-lined steel tanks, subject to perfect refrigeration and sanitary conditions are used for this purpose.

A radically new and artistic label design and attractive dark bottles to keep out harmful light rays go to complete a new product that promises to win wide favor with those who enjoy healthful malt beverages.

GANGES, Dec. 19.—Saturday afternoon, Dec. 8th, the Mahon Hall, Ganges, was the scene of a very enjoyable and successful children's fancy dress party, which was organized by the Ganges Women's Institute and proved a most outstanding event. The proceeds of the event will go to the Queen Alexandra Salarium X-Ray Fund. A large number of children were in pretty and fancy costumes. About 200 were present, including the children and spectators.

The hall was prettily decorated with red and white streamers, with ferns and evergreens, and large Christmas pictures were placed at intervals round the walls, which added very much to the festive appearance.

The grand march took place at 3 p.m. Mrs. N. W. Wilson, Mrs. F. W. Paux and Mrs. W. Stacey acting as judges, and A. Inglis as master of ceremonies.

Whilst the smaller children were having their tea in the supper room adjoining the hall, which was prettily decorated with chrysanthemums for the occasion, the older ones enjoyed a delightful treasure hunt. A parcel was rapidly passed from hand to hand, this caused great excitement until it was eventually won by Vivian Layard. A lovely well-filled "Bran Pie" was enjoyed by the small children. Gordon Rende, dressed as "The Widow Twanky," was in charge.

Tea was served in the committee room at small tables to the spectators.

Mrs. R. Rush supplied the music during the afternoon.

The catering was in the hands of Mrs. T. P. Speed, assisted by Mrs. Wilson, Mrs. W. M. Mout, Mrs. Goodrich, Mrs. W. M. Palmer and Mrs. C. W. Baker.

There were a large number of prizes, all donated, many specials being given. Before leaving each child was presented with an apple by Mrs. A. Inglis, dressed as "Apple Mary." The prizes were presented by the president, Mrs. N. W. Wilson, to the following winners:

WILL MAKE ENTRY IN FESTIVAL

The dramatic wing of the North Saanich Service Club held its monthly meeting last Wednesday. The chairman, A. G. Smith, expressed appreciation of the successful presentation of the three-act play "Honor Bright," Dec. 5th. It was decided not to enter the Dominion elimination competition this year but to make an entry in the B.C. Drama Festival.

LEGION NOTES

By Robert Macnicol
The Canadian Legion is at the moment trying to find a way out for veterans in connection with the unemployment problem. The committee which was appointed at the Ottawa convention in March is now preparing its report and Colonel W. W. Foster, acting Dominion president, has left for Ottawa in order to be present when the report is presented to the Dominion Government.

We can not at the moment reveal what recommendations the Legion will make on unemployment, but there is no doubt that a strong case will be made for a reduction in the qualifying age for war veterans allowance, from 60 years to 50 years, it being generally admitted that a large number of unemployed veterans 50 years of age and over are unlikely to be absorbed into employment, even if conditions should improve in the immediate future.
If the age under the War Veterans Allowance Act were reduced to 50 years, this would only take care of a small number of veterans now without employment. We would still have the small pensioner who finds it difficult to exist, and of course many more or less fit ex-service men in the prime of life out of work. Whatever the Canadian Legion may be able to do in the matter, the results can only alleviate the condition and not cure it.

A perusal of the report of the B.C. Command for ten months ending October shows an improvement in the number of members in good standing as compared with this time last year, and day by day increased membership is being recorded by branches. Considering the difficult period that units of the Legion have gone through, with a fairly large number of members unemployed, the present situation is extremely gratifying to those who have the interests of the organization at heart. It is apparent that veterans who have never taken any interest in ex-service men's associations in the past are now rallying to the invitation of the Legion to come in and assist in performing what may well be termed a necessary and useful community work for those less able to help themselves.

Ex-service men in general will view with mixed feelings the attacks that are being made upon the ability of the late Earl Haig in regard to his conduct of operations during the Great War and particularly with the battle of Passchendaele. It is easy to criticize after an event has taken place and it should be remembered that those who are now making all kinds of charges against Haig had the opportunity of doing so in his lifetime. Apparently they prefer the more cowardly method of attacking a man's record after he has passed on and can not answer for himself.

We can quite understand a politician trying to get out from under by blaming the man in the field, but it is difficult to excuse General Fuller of the Tanks Corps who has now followed the example of Lloyd George and criticised Earl Haig. Unfortunately a commanding officer very often has around him a number of "yes" men who will never tell him if they think he is wrong, yet are quite ready to say what they think after he is beyond recall.
Very few of those who served overseas are in a position to accurately judge the why and wherefore for certain operations, so that it is difficult to arrive at any conclusion as to whether the criticism of the British Command is fair or not, but it does seem un sportsmanlike.

We have just been informed that at last the veterans building

DANCE AT SATURNA ENJOYED

By Review Representative
SATURNA ISLAND, Dec. 19.—A dance was held at the Saturna Hall last Friday, Dec. 14th. A most enjoyable entertainment began at 8:45 p.m. by the Lafalot Entertainers. The program was as follows:

A song entitled "Slap Dab" was sung by F. W. Field, assisted by Mrs. F. L. Casselman and chorus, which consisted of J. Steele, Miss F. E. Casselman and Miss G. Field. They were accompanied by R. Morrison with his ukulele. The encore was "Nothing."

The second item was a play called "A Pair of Lunatics" and was played by Mr. and Mrs. Morrison.

T. Durrow sang "Mary of Argle" and the encore was "Those Endearing Young Charms."

The next item was an amusing play called "Uncle Hiram's Cold," and the cast was as follows:
Uncle Hiram A. Ralph
His Daughter, Miss F.E. Casselman
Miss Henson Miss G. Field
Elder Mason R. Morrison

The theme and song was sung by all the players and was to the tune of "When the Bloom is on the Sage."

The dance continued until the wee small hours in the morning. Two Christmas cakes, donated by J. Pocock, were won by C. Crossingham and W. Falkner.

"Be Prepared"
The regular meeting was held on Saturday evening. We held our preliminary exam. for the fireman's badge. The results were very good and there will be a good number of boys to go to town for their exam. Some of the boys made 100 percent. Major Wise, the district commissioner, paid us a visit and watched the boys at their work, and he spoke to them about Scouting in England and the visit of the Chief, who will be with us next April.

All toys must be in now as we must have them all completed by the end of the week. We have a very good showing this year and are pleased with the results.
The Scouts' Christmas party will be held in the Guide and Scout Hall on Friday, Dec. 28th. Each Scout may bring a boy who is not a Scout, and so promote a real scouting spirit. The party will be held from 6 to 9 in the evening.

CHURCHES OF CHRIST, SCIENTIST

Sunday, December 23rd
"IS THE UNIVERSE, INCLUDING MAN, EVOLVED BY ATOMIC FORCE?" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday.

The Golden Text is: "Lo, he that formeth the mountains, and createth the wind, and declareth unto man what is his thought, that maketh the morning darkness, and treadeth upon the high places of the earth, The Lord, The God of hosts, is his name" (Amos 4: 13). Among the citations which comprise the Lesson-Sermon will be the following from the Bible: "And it shall come to pass, that before they call, I will answer; and while they are yet speaking, I will hear" (Isaiah 65: 24).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Man is, and forever has been, God's reflection. God is infinite, therefore ever present, and there is no other power nor presence. Hence the spirituality of the universe is the only fact of creation."

The president and committee of the club wish all its members a very merry Christmas and a happy and prosperous New Year.

After being closed down for three weeks on account of scarlet fever, this branch of the club opened again last Friday. There was not as large an attendance as we had hoped for, but the weather was against us. We hope next Friday to hear "present" to each name on the roll call.

GUILD ELECTS 1935 OFFICERS

The annual meeting of Saint Andrew's Women's Guild was held at the home of Mrs. Geo. Brethour with the president in the chair and a good turnout of members.

The rector, Rev. Mr. Hughes, opened the meeting with prayer, after which the minutes of the last meeting were read by the secretary. The treasurer read her reports of same meetings.

The members have worked hard during the past year and the amounts taken in for such affairs as bridge parties, moving pictures and an aluminum supper was very encouraging.

The nomination of officers then took place, the voice of the meeting being that Mrs. Charlie Ward stay right where she belonged, which was the president's chair. The treasurer, Mrs. Toomer, was also requested to stay put. Mrs. Gilman's resignation as secretary was accepted with great regret, her place being taken by Mrs. Cummins.

Mr. Hughes thanked the members one and all for their co-operation and commented upon the friendly spirit of the Guild members. The meeting then adjourned, after which a delightful tea was served by the hostess.

Sidney Social Club

A good time was had by the members and guests of the Sidney Social Club in the Guide and Scout Hall on Tuesday, Dec. 11th. The winners of first prizes were Mrs. R. N. MacAuley and P. Pastro, W. Watson and H. Tahouney. Two tables tied for second place, and on the play-off Mrs. G. Neaves, Miss D. Hayward and G. E. Heale and D. Lawrence were the winners. Mrs. C. Woods won a prize for a high bid.

Owing to Christmas and New Year's falling on Tuesday, the club will meet the next evening, Wednesday.

SUCCESSFUL CARD PARTY AT FULFORD

FULFORD, Dec. 19.—The annual military 500 and social evening organized by the Catholic Ladies' Altar Society was held in the Institute Hall recently. The entertainment proved both financially and socially an outstanding success and, by it, the sum of \$118 was cleared for the funds of the Altar Society after all expenses had been paid.

The hall was prettily arranged with ivy and other available evergreens. For the supper table, bronze and white chrysanthemums were used.

Thirty-two tables took part in the play, the master of ceremonies being Rev. Father Scheelen. The first prize winners were Mr. and Mrs. W. Palmer, Mrs. Arthur Bings and E. Wakelin. The second prizes were secured by Mrs. Gordon Reade, Mrs. Alan Cartwright, W. Norton and Arthur Hepburn. Winners of prizes for lucky tables were: Miss Helen Daykin and George West; lucky chairs, Mrs. D. Tweedhope and F. Stacey. The holder of the lucky number in the candy box was Chester Kaye.

Contest prizes were won as follows: J. Judd, six months' subscription to The Daily Colonist; Mrs. Donald Fraser, silver bon-bon dish; Mrs. M. Gyves, cup and saucer; Mrs. W. Paterson, necklace; Mrs. Stewart Holmes, six months' subscription to The Daily Times. For the competition in charge of Mrs. R. Maxwell, Miss Dorothy Akerman and Robert Akerman, the three prize winners were: First, Miss Gladys Shaw, turkey; second, Frank Downie, embroidered cushion; third, Mr. W. Morgan, dressed doll. Two tied for the bean-guessing contest, in charge of George St. Denis. Mrs. D. Tweedhope receiving the first prize, a homespun knitted Indian sweater, made and donated by Mrs. Pappenberger, and Robert Akerman the second, a turkey, donated by Mr. Wilfert.

A fancywork stall was in the hands of Mrs. Ernest Brenton and Mrs. Leon King; home-made candy in charge of Mrs. W. Kitchen. The supper was managed by Mrs. M. Gyves, who was assisted by Mrs. P. O'Flynn, Mrs. A. Bings, Mrs. E. Lumley, Mrs. George St. Denis, Mrs. T. Roland and Mrs. G. E. Akerman.

The ladies of the Altar Society wish to thank all those locally who helped in any way to make the evening so successful and those from other parts, including The Daily Colonist, The Daily Times and the Saanich Peninsula and Gulf Islands Review, Mitchell & Duncan, Little & Taylor, G. Straith's, Litchfield's, David Spencer Limited, Kresge's, Rochon's, Lillie's, Woolworth's, of Victoria; Birk's Limited, Woodward's, of Vancouver, and F. Wilfert, of Johnson-Wilfert Logging Company.

JERSEY CATTLE CLUB MEETS

The monthly meeting of Saanich Jersey Cattle Club was held on Dec. 3rd at the home of Harold Brooks, Marigold, with the president, H. E. Burbridge, in the chair.

The chairman led the meeting in congratulating W. D. Michell on gaining third place at the Chicago World's Fair for his fall wheat.

Then having disposed of general business he called on G. H. Thornberry of Milk Records, Provincial Department of Agriculture, to speak on "Tested Sires."

The speaker outlined several discarded methods used at times for getting a comparison of the values of dairy sires and then explained the method used by the Milk Records, known as the Mount Hope Index, which is a set of figures obtained after comparing the records of the dams used with those of their daughters produced by the sire under consideration. Shortly, say, as regards the fat index the method assigns to the sire his daughters' percentage plus any increase they have over their dams or minus any decrease. Examples were worked out on the blackboard for the sires Atlantic Lady's Lad, Glamorgan Dave's Choice and Glamorgan Wexford Bindle.

Mr. Thornberry received the thanks of the meeting for his lucid explanation of the index and the adjustments that are made in using it.

The annual meeting of the club will be on Jan. 7th at Babacombe by invitation of the president.
